### President's Message

The Installation banquet was a success! We sold in excess of 100 dinners and show only tickets!

Thank you to all who attended. And speaking of attendees, another big surprise was the attendance of Catherine Haskell, who is the great great grand niece of our first president, Professor El-Tab, a.k.a Alfred J. Battle.

The biggest thanks goes out to the donors of our raffle prizes. Gary Meyer donating posters, event tickets and collectors magazines from the Balboa Theater; Richard Tuck donating passes for Playland Not At The Beach; Mark Stock donating several Veronin posters, Byron Walker donating several fun and collectable books and Fred Casto for several fine items.

If you missed the show, here is the running order: Opening was Mike Stroud with his Change of Face mask act; Dan Chan and Kat with their OMC Stage competition act; Dennis Forel's Balloonacy; Farrell Dillon who culminated with a daring strait jacket escape while riding a roly bolla surfboard; and finally our headliner: Tom Ogden who really brought the house down with some of the finest comedy and magic only he can do.

I would also like to thank those who helped set up and clean up the room. This is our club and your help is essential in making these events happen as smoothly as they do. Another big thanks goes to our stage crew.

Manya, backstage making everything flow smoothly; David Fry making sure everyone is heard; and Fred on spotlight so our performers shine on stage.

For March we will have an open performance session. Close-up, stand-up or stage performances are all welcome. Please bring your favorite effect or routine, or something you are working on.

In April (is it that time already?) is Northern California's LARGEST AND FINEST magic flea market and auction. Start dusting off your unused props, gimmicks, books and multi media magic surplus. We had over 100 in attendance last year. Let's see if we break that record this year!!

Sincerely,  
Scott Alcalay
